Past papers and sample papers provide general guidance on the likely content of future papers, but retain old formats and can include quite complicated numerical computations on the physics papers. Please note that the format of the Physics Aptitude Test has evolved.

At Practice Aptitude Tests, we provide industry standard aptitude or psychometric tests for banking, accountancy, finance, law, engineering, business, marketing and vocational fields. The most commonly used are numerical reasoning tests, verbal reasoning tests, diagrammatic reasoning tests, situational judgement tests and personality tests.

Aptitude tests are norm referenced. This means that your performance on the test will be compared to a "norm group." A norm group is a group of people with similar characteristics to the candidate, a group of graduate trainees for example.
