A huge coffee table style book - beautifully presented and full of fantastic photographs of tribal and ethnic groups and individuals in their traditional costumes, captured before "they pass away" under the pressures of global homogenisation.

Before They Pass Away. For his first book, Before They Pass Away Jimmy travelled across the world for two and a half years to meet people from the most extraordinary indigenous cultures. Jimmy's dream has always been to create awareness about our world's variety of peoples. This book is a homage to the thirty-five cultures he will probably never fully understand, but who will never stop inspiring him to visit.

The patronizing and self-aggrandizing narrative behind 'Before They' is literally painful to watch. Fortunately, primitive attitudes like these have been on the endangered list for quite a few years now and it is fair to expect that they will pass away long before any of the cultures Nelson encountered in his project.
