Cloudera, with their open source distribution of Hadoop, has made data analytics on big data possible and accessible to anyone interested. This book fully prepares you to be a Hadoop administrator, with special emphasis on Cloudera's CDH.

Cloudera Administration Handbook [Book]

The Cloudera Administration Handbook written by Rohit Menon is a fantastic resource for anybody wanting to understand and manage a Cloudera platform. I have to admit that I'm a rookie and that this book was exactly what I was dreaming of. Having all information in the same place, and code example both for Linux and Windows.
