Kindly say, the Construction Contracts Law And Management is universally compatible with any devices to read

## 467 - MONROE SIMPSON

The Contracts (Rights of Third Parties) Act 1999 Has radically affected the doctrine of privity of contract. It grants a third party the right to enforce a term of a contract which has been made for their benefit. Not only positive rights but also defensive rights.

~~Construction Contract Management course | CCM United Kingdom~~

Contract management is the process of managing contracts that are made as part of the delivery of a built asset. It involves the creation, analysis and execution of contracts by the parties to those contracts to ensure operational and financial performance is maximised, and risks are minimised. Contract management can be categorised into three phases:

This 1 day course prepares delegates to proficiently deal with the JCT contracts suite in the construction industry. The revised 2016 JCT contracts are mandatory knowledge for contractors, sub-contractors, project managers, designers and construction professionals, and this course caters to everyone by introducing the whole suite and explaining the 2016 changes.

~~contract and law courses from construction study centre~~

For a book covering "construction", I am amazed that it does not cover the contracts used to construct industrial facilities. General contract law is robustly introduced, the discussion of contract forms is too limited, which is quite an oversight and a shame given the quality of what is covered.
