Principles of European Constitutional Law

The protection of fundamental rights in the EU | Fact ...

The Treaty establishing a Constitution for Europe (TCE; commonly referred to as the European Constitution or as the Constitutional Treaty) was an unratified international treaty intended to create a consolidated constitution for the European Union (EU). It would have replaced the existing European Union treaties with a single text, given legal force to the Charter of Fundamental Rights, and ...

This textbook analyses the constitutional law of the European Union after Lisbon in a clear and structured way. Examining the EU through a classic constitutional perspective, it explores all the central themes of the course: from the history and struc-

ture of the Union, the powers and procedures of its branches of government, to the rights and remedies of European citizens.

The European Convention on Human Rights the structure and ...

In an unusual public statement, shared with POLITICO, Marc van der Woude, president of the General Court of the EU, the bloc's second-highest court, described last month's ruling by the German Constitutional Court as "direct interference in the functioning of the European legal order," and warned that it could encourage some countries to leave this legal order and thereby perform a "disguised exit" from the EU.

A Diceyan view of the UK constitution is no longer compatible with the current relationship between UK and EU law. It was decided in Factortame and confirmed in Equal Opportunities Commission, that the implications of the European Communities Act 1972 s. 2(4) is that EU law has supremacy in the case of clashes between EU and national laws.

[Five constitutional principles of EU law | Protesilaos Stavrou](#)

While constitutional law concerns the European Union's governance structure, administrative law binds EU institutions and member states to follow the law. Both member states and the Commission have a general legal right or "standing" (locus standi) to bring claims against EU institutions and other member states for breach of the treaties.

About Principles of European Constitutional Law. For the time being, the political project of basing the European Union on a document entitled 'Constitution' has failed. The second, revised and enlarged edition of this volume retains its title nonetheless. Building on a

scholarly rather than black-letter law account, it shows European constitutional law as it looks following the Treaty of Lisbon, with the EU's foundational treaties mandating the exercise of public authority, establishing a ...

Constitutional Law in the UK - Legal Guide. Put simply, a constitution is a set of laws guiding how a country is governed. The constitution organises, distributes and regulates the power of a state. It can either be written down (codified) in one single document, such as The Constitution of the United States, or unwritten (uncodified) and found in a variety of sources, as is the case in the UK.

The European Convention on Human Rights, the structure and principles of the Convention and the work its institutions, in particular the European Court of Human Rights. The Human Rights Act 1998 and its operation in the UK.
