The Peace Corps

Serving in the Peace Corps is not a solo experience. Family and friends back home play a key role in a Volunteer's success and experience many of the highs and lows of service right alongside a serving Volunteer. Together, a Peace Corps Volunteer and their family and friends will explore a new culture, learn more about themselves than they ever thought possible, and feel the transformational change of dedicating themselves to making the world a better place.

Family and Friends - Peace Corps

For the first eight weeks in country, your family member will be living in a village near the training site (about a two-hour drive north of Lilongwe) and participating in an intensive, immersion style training program where they will begin to learn language, cultural norms, and technical skills necessary to be a safe and productive Peace Corps Volunteer.
