Posterity—definition of posterity by The Free Dictionary

The Founders made the moral guidepost of intergenerational accountability equal to their immediate interests ("to ourselves and our posterity") in creating the Union. Our government is not at liberty to disregard the consequences of its actions on our posterity. Indeed, if it takes seriously the full meaning of our Constitution's preamble, it has no choice but to consider with utmost seriousness its duties, responsibilities, and obligations to those who shall inherit this great nation from us..

To Ourselves and Our Posterity: Reflections on the Fourth ...

Medium: An Open Letter: "For Ourselves and Our Posterity ...

In For Ourselves and Our Posterity: The Preamble to the Federal Constitution in American History, author Peter Charles Hoffer offers a sweeping, dramatic narration of a crucial moment in Early American history. Over the course of five days in September 1787, five men serving on an ad hoc "Committee of Style and Arrangement" edited the draft of the federal Constitution at the Constitutional Convention, profoundly recasting the wording of the Preamble.

Posterity (noun) the race that proceeds from a progenitor; offspring to the furthest generation; the aggregate number of persons who are descended from an ancestor of a generation; descendants; -- contrasted with ancestry; as, the posterity of Abraham. Etymology: [L. posteritas: cf. F. postrit. See Posterior.] Posterity (noun)
