[What is Accident and Health Insurance? - Definition from ...](#)

Accident and health insurance is insurance coverage that can protect policyholders from losses incurred from injuries resulting from accidents or from various other types of health problems. Accident and health insurance is commonly offered by employers, and given to employees as part of an incentive package to work for the company.

Earning your life and health insurance license is your first step to selling life and/or health insurance in your respective state as an insurance

agent. The license is granted upon the successful passing of your specific state's exam and allows the recipient to solicit and build a book of business of health and life insurance within that state. This means you can work on behalf of an insurance agency, selling just their brand of products, or as an independent broker with access to several ... Simple. The team at A-Plan have looked after my insurance requirements for over 7 years. They have helped friends when they needed insurance that met their requirements and secured that insurance at very competitive rates and they are always at the end of the phone even through the whole of lock-down. Charlie, 02.07.2020

Accident & Health We offer broad group accident and health insurance products that can be designed to meet the changing needs of a variety of clients, from small domestic companies to multinational corporations.

METLIFE'S ACCIDENT AND HOSPITAL INDEMNITY INSURANCE POLICIES ARE LIMITED BENEFIT GROUP INSURANCE POLICIES. The policies are not intended to be a substitute for medical coverage and certain

states may require the insured to have medical coverage to enroll for the coverage. The policies or their provisions may vary or be unavailable in some states.
