Mahindra USA Incorporated This still does not address the poorly written service manuals. I think a full parts & service manual should accompany any tractor sold by any company, so we can maintain them better & do some of the repairs ourselves, so that our tractors can stay with us most of

the time. It just makes good business sense to me!

It really is a crappy manual and is nowhere even close to the service manual I have for my truck. There is not one part number in it either, not even for the filters. Nothing at all on the engine, nothing, nada, double ought zip. I don't know what other manuals Mahindra may have but the service and operator's manuals I have are both pathetic.
