I was a thief of men...a whore. Not the conventional type that got paid for sex. I was the girl you talked about in your sad inner circle. The girl you shielded your boyfriend from as you cleverly covered him with your body when I came near.

I am only sorry that after reading all the Titles in the Whitaker Family Women falling in love, Room 212 & The Fall ( Reluctant Romantics 1), I have now come to the end. Kate Stewart is a 5 Star writer for me!

#### Never Me by Kate Stewart - KATE STEWART // ROMANCE AUTHOR

Never Me is my second Kate Stewart book and I will have to say, I am a big fan of her writing. She creates a female character with a tough outer shell she shows to the world, while just wanting to be loved like anybody would. Nadine is young, too young to be as bitter and broken as she is.

It was the summer of my life. I'd met the guy of my dreams. Unfortunately, he was the son of my up-pity employer - and very much off-limits. But Gavin was a rebel. He knew his mother would disown him if she found out about us; in his eyes, we just had to be careful. He never treated me as his mother did - like hired help.
