#### News Edtna Erca

The European Dialysis and Transplant Nurses Association/European Renal Care Association (EDTNA/ERCA) is a multidisciplinary organization for those working in renal care. The mission of the Association is about 'achieving the best level of education, standards and research for all renal care professionals caring and supporting their patients and families around the world'.

#### EDTNA/ERCA About us

We are delighted to announce that our Dialysis Nurse Education Program has been accredited "with commendation" by the EDTNA/ERCA. Gulf Dialysis is the first private company in the UAE to attain this prestigious recognition and now offers a comprehensive 4 months dialysis training program to local and international nurses.
