070 - ANTON DEON

You have to maintain your identity regardless of what society wants. Its ok to be the first one to think out of the box and be creative and start something new. One of my favorite books on creativity and innovation is by a guy named Gordon MacKenzie, it's called "Orbiting the Giant Hairball".

Through the measured assertion of your own uniqueness, it is possible to establish a dynamic relationship with the Hairball - to Orbit around the institutional mass. Hairball is policy, procedure, conformity, compliance, rigidity and submission to status quo. Orbiting is originality, rules-breaking, non-conformity, experimentation, and innovation.

BOOK REVIEW: Orbiting the Giant Hairball | Moceanic

- Orbiting the Giant Hairball, Page 33. Gordon MacKenzie treats us to a lyrical account of creatively pursuing his 30 year career with Hallmark, a traditional pyramid organization, in Orbiting the Giant Hairball. The "Hairball" is the tangle of rules intended to maximize productivity in a bureaucratic company but often impedes or stifles our best work.

Reading Orbiting the Giant Hairball was a delight. It is though perhaps deceptive, in that behind its light and folksy tone lie some deep and profound lessons which could perhaps be easily missed or skipped over by those who are still reluctant to open their own eyes to the ways in which their own organisation is stifling creativity.

Overview. Creativity is crucial to business success. But too often, even the most innovative organization quickly becomes a "giant hairball"—a tangled, impenetrable mass of rules, traditions, and systems, all based on what worked in the past—that exercises an inexorable pull into mediocrity. Gordon McKenzie worked at Hallmark Cards for thirty years, many of which he spent inspiring his colleagues to slip the bonds of Corporate Normalcy and rise to orbit—to a mode of dreaming, daring ...
