Perfumes: The Guide is the culmination of Turin's lifelong obsession and rare scientific flair and Sanchez's stylish and devoted blogging about every scent that she's ever loved and loathed. Together they make a fine and utterly persuasive argument for the unrecognised craft of perfume-making.

Perfumes: The Guide is a wonderful tribute

to the art of perfumery written with humor and passion. The authors write about scent like others write about food or wine and, just like a good food or wine writer will have you seeking out food and drink, Luca Turin and Tania Sanchez will have you running for the perfume counter to start sniffing away for that smell that will send you to nirvana.

Perfumes: The A-Z Guide, by Dr. Luca Turin and Tania Sanchez. Originally a biophysicist, Luca Turin became fascinated by the idea that different smells 'vibrate' at different frequencies - and became so bewitched by his explorations in perfumery that he left the world of academic science behind, blogging and writing about fragrances.
