Warrior. Princess. Hero. Diana's destiny is to be the world's greatest female super hero... if she can survive this action-packed adventure! Young Princess Diana is fierce and whip-smart, and she loves her island home of Themyscira. Her deepest wish is to be able to train with the rest of the Amazons and protect her homeland--but she's told it's out of the question. This is the year Diana hopes to persuade her mother, Queen Hippolyta, to let her learn how to fight when the world's most powerful women gather on Themyscira for a festival to celebrate their different cultures. But at the start of the festivities, an unexpected and forbidden visitor--a boy!--brings news of an untold danger that threatens Themyscira and all of its sacred neighboring lands. It's up to Diana and her best friend, Princess Sakina, to save them, even if it means tangling with a cunning demon who reveals that a terrifying force is out to capture Diana against her will. In the first of three high-octane, breathtaking Wonder Woman Adventures, Diana finally gets the chance to prove her worth as a warrior and save not just her friends and family but their entire way of life. As long as she can make it out alive herself....

Based on the groundbreaking ITV/The Learning Channel documentary series, and drawn from years of research and dozens of interviews with friends and associates speaking on the record for the first time, Diana contains never-before-revealed information and stunning insights about the beloved -- and largely misunderstood -- Princess of Wales. From claims that Diana was ready to leave Charles just weeks before the wedding to her lifelong battle against depression, from world-exclusive interviews with Diana's beau James Hewitt and her "surrogate mother-in-law" Shirley Hewitt to details about the unconventional "arrangements" in the royal household -- between Diana and James, Charles and Camilla Parker Bowles -- Diana is an honest, objective, and unparalleled biography. With thirty-two photographs -- including several never before published -- Diana shows all facets of this fascinating woman: her magic, her manipulations, her dazzling public persona, and her place in her people's hearts and history.

Ayna could predict the future. Cari could find what was lost. Gair thought he was ordinary. The three children of Gest, the chief of Garholt, know the perils of the Moor on which they live. The Dorig, their people's enemies, are cold-blooded, fierce underwater creatures who terrify anyone unlucky enough to happen upon them. The Giants are dangerous and violent. But it's not until their home is invaded that Gair learns of a dying curse that endangers all three peoples of the Moor. A curse that ordinary Gair, with the help of his extraordinary brother and sister, may be able to break, but only at the most dreadful risk to all three, and to the Moor itself.

The royalty protection officer who was responsible for guarding Princess Diana for nearly seven years discusses the events of her troubled life during that period and offers his insights into her complex character.

Through a rich and beautiful series of images, British fashion journalist Eloise Moran decodes Princess Diana's outfits in this smart visual psychobiography of an icon. From the pink gingham pants and pastel-yellow overalls of a sacrificial lamb, to the sexy Versace revenge dresses, power suits, and bicycle shorts of a free woman, British fashion journalist Eloise Moran has studied thousands of pictures of Princess Diana. She soon discovered that behind each outfit lay a carefully crafted strategy: What Lady Di couldn't express verbally, she expressed through her clothes. Diana's most show-stopping—and poignant—outfits are all here in The Lady Di Look Book, incisively decoded. Moran sees things no one has before: Why, for example, did Diana have a rotating collection of message sweatshirts? Was she mad for plaid, or did the tartan have a deeper meaning? What about her love of costume jewelry on top of the tiaras and oval sapphire engagement ring? With new interviews from some of the people who dressed Diana, Moran's book is both a record of what Diana wore and why she wore it—and why we are still obsessed with Lady Di. From 1980s Sloane Ranger cottagecore Diana,

to athleisure and Dynasty Di Diana, The Lady Di Look Book is both compulsively delightful and a full biography of the world's most beloved royal. #1 NEW YORK TIMES BESTSELLER • Years after her death, Princess Diana remains a mystery. This "insanely readable and improbably profound" biography (Chicago Tribune) reveals the truth as only famed journalist Tina Brown could tell it. "The best book on Diana." —The New Yorker Was she "the people's princess," who electrified the world with her beauty and humanitarian missions? Or was she manipulative and media-savvy and nearly brought down the monarchy? Tina Brown, former Editor-in-Chief of Tatler, England's glossiest gossip magazine; Vanity Fair; and The New Yorker gives us the answers. Tina knew Diana personally and has far-reaching insight into the royals and the Queen herself. In The Diana Chronicles, you will meet a formidable female cast and understand as never before the society that shaped them: Diana's sexually charged mother, her scheming grandmother, the stepmother she hated but finally came to terms with, and bad-girl Fergie, her sister-in-law, who concealed wounds of her own. Most formidable of them all was her mother-in-law, the Queen, whose admiration Diana sought till the day she died. Add Camilla Parker-Bowles, the ultimate "other woman" into this combustible mix, and it's no wonder that Diana broke out of her royal cage into celebrity culture, where she found her own power and used it to devastating effect.

Learn how Lady Diana Spencer became the People's Princess as she takes her place in the ranks of the Who Was? series. A shy twenty-year-old girl stepped out of a horse-drawn coach and into the world spotlight, capturing the imagination of millions as a real life fairytale princess. Although the storybook marriage didn't have a happy ending, Diana learned to use her fame as a way to champion charitable causes near to her heart. She became the People's Princess by humanizing the image of the royal family and showing care and concern for all people, including the homeless, the sick, and others in need.

Women who made it to history books all had to go through some sort of struggle. In this ebook, we're going to read about the lives of women who became very involved in their own advocacies. Study and learn from the stories of Mother Theresa, Jane Goodall, Helen Keller and Princess Diana. Grab a copy today.

Over one hundred fifty photographs and text illuminate the key moments of the late Princess of Wales' life

A colorfully illustrated, pocket-size picture book biography of famous British royal, Princess Diana. Princess Diana was the wildly popular first wife of Charles, Prince of Wales. Known as "the People's Princess," she was involved in many charities, including the British Deaf Association, and supported other controversial causes like AIDS and the ban of landmines. From her engagement to Prince Charles, Princess Di had a special connection with the public in England and around the world. Her tumultuous marriage was subject to aggressive media attention, and she was forever memorialized in the hearts of the British people after her death in a tragic car crash in Paris. About the Pocket Bios series: Pocket Bios are full of personality, introducing readers to fascinating figures from history with simple storytelling and cheerful illustrations. Titles include men and women from history, exploration, the sciences, the arts, the ancient world, and more. Want to know more about women in history? Don't miss the Pocket Bios about Cleopatra, Rosa Parks, Anne Frank, Marie Antoinette, Joan of Arc, and Pocahontas.

Imagines what the fate of Princess Diana might have been had she not died in Paris in 1997, in a story about the cost of fame and the possibility of reinventing a life.

Presents a dual portrait of the young princes of England, describing the challenges of growing up in the spotlight, dealing with their parents' breakup

and mother's tragic death, and their relationships with the royal family and each other.

"This particular phase in my life is the most dangerous. My husband is planning 'an accident' in my car, brake failure and serious head injury in order to make the path clear for him to marry." —Letter written by Princess Diana, late 1996 It is a moment that remains frozen in history. When the Mercedes carrying Diana, Princess of Wales, spun fatally out of control in the Pont de l'Alma tunnel in Paris in August 1997, the world was shocked by what appeared to be a terrible accident. But two decades later, the circumstances surrounding what really happened that night—and, crucially, why it happened—remain mired in suspicion, controversy, and misinformation. Until now. Dylan Howard has re-examined all of the evidence surrounding Diana's death—official documents, eyewitness testimony and Diana's own private journals—as well as amassing dozens of new interviews with investigators, witnesses, and those closest to the princess to ask one very simple question: Was the death of Princess Diana a tragedy...or treason? Diana: Case Solved has uncovered in unprecedented detail just how much of a threat Diana became to the establishment. In these pages you will learn of the covert diaries and recordings she made, logging the Windsors' most intimate secrets and hidden scandals as a desperate kind of insurance policy. You will learn how the royals were not the only powerful enemies she made, as her ground-breaking campaigns against AIDS and landmines drew admiration from the public, but also enmity from powerful establishment figures including international arms dealers, the British and American governments, and the MI6 and the CIA. And, in a dramatic return to the Parisian streets where she met her fate, the two questions that have plagued investigators for over twenty years will finally be answered: Why was Diana being driven in a car previously written off as a death trap? And who was really behind the wheel of the mysterious white Fiat at the scene of the crash?

Elegant paper doll collection features 31 evening dresses offered for charity auction by the late Princess. A keepsake treasure for paper doll collectors and Diana's fans. 1 doll, 31 costumes. Notes.

Diana: capricious princess:- Cute and colorful illustrations for young readers;- Lots of characters that do not allow the children to be bored;- A tale about the true love and glory;- Interesting story, which shows the magic world of fairy. Let your kid discover the best human feelings with a new friend - Princess Diana!

The unexpected death of Diana, Princess of Wales, in Paris on August 31st 1997 led to a period of mourning over the next week that took the world by surprise. Major institutions - the media, the royal family, the church, the police - for once had no pre-planned script. For the public, this was a story with an ending they had not anticipated. How did these institutions and the public create a cultural order in the face of such disorder? Both those involved in the mourning and those who objected to it struggled to understand the depth and breadth of emotion shaking Britain and the world. Mourning was focused on London, where Diana's body lay, and on Diana's home, Kensington Palace. Throughout the city and especially in Kensington Gardens, millions left shrines to the dead princess made of flowers, messages, teddy bears and other objects. In towns and villages around the UK, this was repeated. The mourning was also global, with media dominated by Diana's death in scores of countries. The funeral itself had a record-breaking world television audience, and messages of condolence floated around the globe in cyber-space. How unique was all this? Does it mark a shift in the culture of mourning, of the position of the monarchy, of the role of emotion in British culture? How does it compare with the mourning for other super-icons - JFK, Evita, Elvis, and Monroe? Was it media-induced hysteria? Or was it simply a magnification of normal mourning behaviour? Focusing on the extraordinary actions of millions of ordinary people, this book documents what happened and shows how a modern rational society coped with the unexpected in a proto-revolutionary week that left participants and objectors alike asking 'why did we behave like this?'

She was one of the most inspiring women in the world. Her work helped millions of lives. But who was she really? This book, just for kids, will look at her childhood, education, marriage and work to see what made her who she was! KidLit-o is a leading electronic publisher in children's books; each month, it publishes several history, science and language arts books.

The follow-up to "Diana's Boys" explores the last twenty years in the lives of Princes William and Harry and the evolution of their relationship as adults, with one brother the designated heir, and the other doomed to life as the spare. Print run 100,000.

Eleven-year-old Diana leads an idyllic life on the island of Themyscira. Cut off from the rest of the world, she's beginning to feel a little alone. Though she has a loving mother and many "aunties," she is an only child. In fact, she's the only child on the entire island! After an escapade goes wrong, Diana gets in trouble for not living up to the Amazonian standard. She just can't seem to measure up no matter what she does. Every other person on the island is an adult proficient in their trade and mighty in body, while she is gangly, sometimes clumsy, and not particularly good at anything. She's not Wonder Woman...yet, anyway. What Diana needs is a friend; someone her own age whom she can talk to. But when she decides to take matters into her own hands, she encounters the unexpected!

Chronicles the metamorphosis of a frumpy pudgy sloane, via the intensive training of Vogue, to the fashionable trend setter of the 90's, and culminates in the extraordinary New York sale of her dresses.

Diana, Princess of Wales, Diana Frances, née Spencer, born at Park House, Sandringham, Norfolk, England on 1st July 1961, was a member of the British royal family, as the first wife of Charles, Prince of Wales, eldest child and heir apparent of Queen Elizabeth II.

A True Book: Queens and Princess tells the stories of women who were born or married into royalty. Who were these women who ruled nations and kingdoms and touched the lives of their people? Being a queen or princess is more than sitting on a throne. A True Book: Queens and Princess tells the stories of women who were born or married into royalty. Who were these women who ruled nations and kingdoms and touched the lives of their people? They led sensational and sometimes luxurious lives. They also made sacrifices. They impacted war and peace, politics and economics, culture and tradition. These queens and princesses were so much more than their bejeweled crowns! With engaging text, primary source material, infographics, photography, and artwork, Queens and Princesses follows these vibrant women from childhood to the end of their reign. Long a source of fascination, Queens and Princesses introduces royals from the ancient world to contemporary times...all of whom influenced their era and left a compelling legacy. Diana Spencer, Princess of Wales, was known as the "People's Princess". She influenced the United Kingdom's current royal family of Windsor and helped modernize the monarchy. Princess Diana led what seemed like a storybook life. Her devotion to her young sons was legendary. But all was not as it appeared. While known as a fierce trailblazer, advocate for the under-served, and style icon, Diana was emotionally fragile. This contradiction endeared her to women everywhere. Diana's death at age 36 is a mournful touchstone for our era.

An intimate portrait of the Princess of Wales describes her public and private life, reveals details about her marital problems, and discusses her attitudes toward motherhood and public service.

Unlike so many other books, Grace and Power rejects gossip and conspiracy theory to tell the story of John and Jackie's three years in the White House soberly, comprehensively and sensitively, from beginning to sudden end. Sally Bedell Smith's book on John and Jackie Kennedy was hailed by authoritative reviewers on both sides of the Atlantic as the most distinguished and well-written book on a perennially fascinating subject for years. In the US the hardback was high on the New York Times bestseller list for weeks. It is an immensely poignant chronicle of pivotal historical events seen from the inside out, from within the private home of the President and First Lady. Amidst the superficial opulence of their social circle, we see the Cuban Missile Crisis and the burgeoning American civil rights movement from the perspective of an invalid president often barely well enough to appear in public. Together with his young wife, abandoned by her husband's relentless womanising, nevertheless changed the politics and style of America. Grace and Power is the classic account of that time.

Discusses the life, marriage, and tragic death of Diana, Princess of Wales.

"For the millions who adored the People's Princess, this lavish book celebrates Diana Spencer's life in pictures. Page after page of inside photos from the legendary National Geographic archives document the royal's most memorable moments in the spotlight; a luminous, personal remembrance by Diana friend and biographer Tina Brown adds context and nuance to a poignant life twenty years after her tragic death. Float down memory lane through more than 100 remarkable images of Diana, from her days as a schoolgirl to her engagement to Prince Charles, the birth of Princes William and Harry, and her life in the media as an outspoken advocate for the poor, the sick, and the downtrodden. This elegant book features reflections from those who knew her best, recollections from dignitaries and celebrities like Nelson Mandela and Elton John, and personal insight through the princess's own words. Published to commemorate the twentieth anniversary of Diana's death, this richly illustrated book is a beautiful ode to one of the world's most beloved women."--Provided by publisher.

Explores the relationship between Princess Diana and her sons, how she influenced them, and the changes in their lives since her death.

Discover the life of Princess Diana--a story about helping those in need for kids ages 6 to 9 Princess Diana was known as the "People's Princess" because she loved to be kind and generous to others.
