Sekem A Sustainable Community In

SEKEM was founded with the idea of sustainable development and giving back to the community. The vision that brought Dr. Ibrahim Abouleish to dig the first well in the vast desert land still resounds in SEKEMs approach of conducting business. Like a compass, our vision, mission and values guide us in the everyday work in all SEKEM companies.

SEKEM - 40 Years of Sustainable Development

Sekem: A Sustainable Community in the Egyptian Desert. The Egyptian desert can be a hostile place, yet in 1977, Dr. Ibrahim Abouleish founded a new agricultural and social settlement on seventy hectares of desert land in Belbes, 60 kilometers northeast of Cairo. Thus, the Sekem initiative was born.

Sekem A Sustainable Community In The Egyptian Desert

The astonishing story of the Sekem initiative to create a sustainable biodynamic and holistic community in the Egyptian desert.

Ibrahim Abouleish - Sekem - Floris Books

Egyptians from rural areas come together with European families in a sustainable based community. The Sekem community is built on equality and respect for the dignity of every individual. For all employees in Sekem's companies and institutions, from farmers to managers, the working day starts by meeting in a circle: a symbol for equality and for the unity of the shared vision.
