Etsy Guide,

Craft practice has experienced a sharp rise in popularity since the late 2000s, partly through the 'aura of the analogue' and the desire for authentic, handmade products in an increasingly fast paced, digitalised world (Luckman, 2015) but also because of digital platforms such as Etsy and social media enabling 'anyone' to become a craft entrepreneur. This book brings together historical, policy and individual narratives to inform a broad understanding of craft entrepreneurship. Drawing on case studies from around the world, Craft Entrepreneurship considers questions of identity, com-

munity, and the digital in craft entrepreneurship. In doing so, it finds craft activities to be positioned between or across the arts, heritage, notions of a bohemian lifestyle and the challenges of micro-entrepreneurship. By engaging with the contradictions and fragility of sustaining a craft practice, the chapters in this book contribute to different perspectives for entrepreneurship studies. The contributions to this volume illustrate the craft entrepreneurs' identity, motivation and sense of creative purpose through their craft, as these collide with the tensions brought about through entrepreneurship. Hey, Etsy sellers! SKIP the "secrets" and "tricks." "The Ultimate Guide to Selling on Etsy" teaches you proven, easy-to-follow strategies to get more sales on Etsy and turn your side-hustle hobby into a sustainable business. So many Etsy sellers with incredible products and potential are completely buried by the competition with weak or low-converting keywords, counter-

productive titles, the wrong listing structure, etc. That's the bad news. The good news is that these problems aren't hard to fix-if you know what you're doing! "The Ultimate Guide to Selling on Etsy," fully updated for 2021, is your one-stop resource for all things Etsy. And no, you won't get a fire-hydrant of business lingo and milque-toast advice. "The Ultimate Guide to Selling on Etsy" is a down-to-earth, no-BS, complete guide to help real Etsy sellers--written by REAL top-1% Etsy sellers. Learn simple ways to dramatically improve your Etsy shop ranking, your five-star reviews, your conversion rate, your shop views and traffic. And most importantly, learn how to stop getting buried by your competitors-and start making sales and real income. You won't find any "secrets" or snake-oil in this book. Just replicable strategies that we KNOW work because we used them ourselves to turn a brand-new shop with a single listing in 2013 into a top-1% ranking shop with 22k+ sales, a five-star rating, and 6-figure income. In "The Ultimate Guide to Selling on Etsy" we share the EXACT same strategies we used to grow our Etsy shop. So skip the guesswork, the "secrets," and the snake oil.

Whether you're just starting out on Etsy or have been putting a lot of work into your Etsy shop without much success, don't give up. Instead, get this book. Because our success on Etsy wasn't an accident, or "good luck." It was the result of meticulous testing, research, and doing more of what worked (and less of what didn't!). It's replicable. Which means that you can do it in your shop too. Noelle and Jeanne (that's us!) are passionate about helping other Etsy sellers succeed through our coaching. We love what we do, and we LOVE sending the elevator back down to help other women (and men) build and grow their small business on Etsy. The coaching arena for Etsy sellers is a wee bit crowded with mediocre advice from shop owners who rely on guesswork and outdated tactics. We're here to change that. In "The Ultimate Guide to Selling on Etsy" we'll walk you through everything you need to know to succeed and grow on Etsy. We'll share our mistakes (we made a number of them in the beginning), our success, and what WORKS. You'll learn: - How to properly set up your shop for success (and common pitfalls!) - Down-to-earth, real advice and strategies for keywords that bring in sales-

Real-talk and strategies about Etsy's algorithm and how it ranks your shop and listings- How to price your products (most sellers get this one wrong)- The best (and most cost-effective) opportunities for paid advertising - Little-known opportunities for free advertising that actually work - Etsy-specific customer service guide for earning 50% more 5-star reviews- In-depth guide for how to market your shop within and beyond Etsy- Practical guide to studio space, packaging, and shipping strategies that save you time and money.- Advice for growing, scaling, hiring freelancers and virtual assistants- Creating GORGEOUS listing photos (without expensive equipment or Photoshop skills!)- Much, much more. When we say "The Ultimate Guide," we mean it. You can do this. And we'll show you how. Etsy is an incredible platform with a LOT of potential. Now, get out there and ETSY!

I bet you don't even know the goldmine that's in your closet. My grandmother had the best fashion sense for her era. She was always seen dressed to the nines, pearls in tow, and heels galore. She would never leave the house without her trusty

shoulder-pinned sweater. She kept every part of her appearance in check as she visited the salon with a weekly, standing appointment. Lipstick was a must. I inherited her fashionista trait. My Gran, as I called her, was a fashionista to the max. When she passed away, I found myself inheriting her vast walk-in closet collection of savvy vintage clothing. I wasn't quite sure what to do with all of it. I kept the pieces that meant the most to me and began to sell the rest. To my surprise, the demand for vintage clothing in great condition, or renewed, upcycled pieces, is immense, widespread, and appeals to men and women of all ages. My business was born - and it thrived! In my book, I will show you exactly how to go about starting and running your own pre-loved clothing business. You gain not only the monetary benefits of selling a high-demand product, but you will also be saving the world's landfills from unnecessary waste. In 2012 alone, an estimated 14.3 million tons of textiles were discarded to the landfill as reported by the Environmental Protection Agency-an alarming number for something seemingly harmless as discarding old clothes. Why toss clothing that has good life

still left in it? There are so many ways you can succeed with your secondhand clothing shop, but the best thing you can do (and the most valuable experience you can get) is to go out and actually do it! Experience is always the best teacher. Until you get out and start selling, you will never be able to grasp everything fully that running a used clothing shop entails. Of course, the most important thing you can do is to be prepared for it, just so you know you're setting yourself up for success. You will have the tools you need in this book to start making good money by selling old clothes. You will learn: About crafting a plan for your business Finding who your customer will be Where to place your brick-and-mortar store, should you go that route Creating a solid marketing plan Budgeting and costs How to conduct market research Building your inventory and where to source products Upcycled hacks to increase the life of your products Advice for online marketplaces such as ThredUP, Poshmark, eBay, Depop, Facebook Marketplace, Tradesy, Vinted, Instagram, Craigslist, Mercari, LePrix, The Real Real, Grailed, VarageSale, Etsy, Shopify, and Amazon FBA How to set up a physical, brick and

Etsy is a wildly popular website where crafters and craftsmen alike have discovered a portal where they can market and sell their handmade wares - literally around the globe. According to the latest stats from Etsy, there are over 14 million registered members, over 800,000 shops, over 39 million unique visitors each month, and transactions spanning across 150 countries. Those numbers represent a global marketplace for someone interested in selling their handmade items, but they also mean a tremendous challenge when a seller is faced with the daunting task of

making their Etsy storefront visible among the thousands of others. Any successful Etsy seller will tell you the difference between a successful Etsy storefront and the storefront that gets lost in the mix often boils down to the tricky details. The Complete Idiot's Guide® to Selling Your Crafts with Etsy is written by someone who has proven selling success on Etsy and knows the tricks that will get a storefront noticed - and wares shipping out the door. From having the right keywords in place for optimum searchability, to creating an attractive storefront that will create return customers and loads of traffic, The Complete Idiot's Guide® to Selling Your Crafts with Etsy will help you learn the tricks of the trade and help you build the successful Etsy business you have always wanted.

The microbusiness is huge! That's not just a play on words but an indisputable fact that millions of budding entrepreneurs have already figured out. On top of adding to their income and creating safety nets in case the ax falls at work, they have been able to unlock their creativity and find a sense of fulfillment they never dreamed possible--or rather day-dreamed possible from their uninspiring cubicle. In The Econo-
