DRONE RIDER, a thrilling and gritty new cyberpunk series, pits one woman against catastrophic new foes in a post-apocalyptic world. By day, drone rider Betta Graham herds migrants from her cubicle in dismal Chicago, via her remote-controlled robotic bunnies and dogs. Her flocks beg for a place in the sealed domes by Lake Michigan. By night, Betta frolics in virtual with her lover Valentin. But when she's forced to become a cyborg, allies become enemies, friends turn foes, and even her boyfriend is not the man she thought he was. Because confusion is the tool of the true adversary - sentient AIs, rogue artificial intelligence developed to direct Earth's defenses. How can humanity prevail against AI, when sensors lie to them, diplomacy is rewritten to fuel hostilities, and weapons have minds of their own? A cyborg like Betta is uniquely vulnerable - and potent - in the opening salvo of global cyber war. Pick up Drone Rider because you love gritty action, laser-eyed bunny robots, and flawed characters in a cyberpunk future where lines blur between man and machine.

"A dynamic story line that grips from the first chapter and doesn't let go." --Midwest Book Review, Diane Donovan (regarding Once Gone) "A masterpiece of thriller and mystery! The author did a magnificent job developing characters with a psychological side that is so well described that we feel inside their minds, follow their fears and cheer for their success. The plot is very intelligent and will keep you entertained throughout the book. Full of twists, this book will keep you awake until the turn of the last page." --Books and Movie Reviews, Roberto Mattos (re Once Gone) A complete bundle of books 1-14 in the MACKENZIE WHITE MYSTERY series by USA Today bestselling author Blake Pierce. Once Gone (Book #1 in the series) (a free download) has received over 1,000 five star reviews. In the cornfields of Nebraska a woman is found murdered, strung up on a pole, the victim of a deranged killer. It doesn't take long for the police to realize a serial killer is on the loose—and that his spree has just begun. Detective Mackenzie White, young, tough, smarter than the aging, chauvinistic men on her local force, finds herself called in grudgingly to help solve it. As

much as the other officers hate to admit it, they need her young, brilliant mind, which has already helped crack cold cases that had left them stumped. Yet even for Mackenzie this new case proves an impossible riddle, something the likes of which she—and the local force—have ever seen. With the FBI called in, together, an intense manhunt ensues. Mackenzie, reeling from her own dark past, her failed relationships, and her undeniable attraction to the new FBI agent, finds herself battling her own demons as her hunt for the killer takes her to the darkest places of her mind. As she delves into the killer's mind, obsessing over his twisted psychology, she finds that evil truly does exist. She only hopes it will not be too late to extricate herself from it, as her entire life collapses around her. As more bodies turn up dead and a frantic race against time ensues, there is no way out but to find him before he kills again. A dark thriller with heart-pounding suspense, the Mackenzie White Mystery Bundle comprises 14 books that will leave you enthralled and shocked, book after book, and leave you guessing, and turning pages, late into the night.

A Boxset collection of the first 3 books in the Chronicles of Kerrigan Prequel Series! Christmas Before the Magic - Book #1 Learn how it all began ... before the magic of tatùs. When Argyle invites his best friend, Simon Kerrigan, home for the Christmas holidays, he wants to save Simon from staying at Guilder Boarding School on his own. Simon comes along and doesn't expect to find much more excitement in the tiny Scottish town where Argyle's family lives. Until he meets Beth, Argyle's older sister. She's beautiful, brash and clearly interested in him. When her father warns him to stay away from her, Simon tries, but sometimes destiny has a hope of it's own.

Question the Darkness - Book #2 Learn how it all began ... before Rae Kerrigan. The sins of the father are the sins of the son. What did Rae's father do that put fear in people's eyes at the name Kerrigan? Simon Kerrigan is a bright kid. He likes to ask questions and push adults in their way of thinking. He's falling for a girl he's been warned to stay away from. Tempted by forbidden love, he also must face the biggest challenge of his life: receive a tattoo on his sixteenth birthday. This ink is going to give him a supernatural ability unlike anyone before him. When secrets of the past begin to reveal themselves, he questions everything he's ever known. Pressure from Guilder Boarding School and the Privy Council only confuse Simon more as he struggles to find himself. How hard will he have to shake the family tree to find the truth about the past? The Chronicles of Kerrigan Prequel is the beginning of the story before Rae Kerrigan. Christmas Before the Magic is just the beginning (but not the end...) Into the Darkness - Book #3 What did Rae's father do that put fear in people's eyes at the name Kerrigan? After a mysterious attempt is made on his life, Simon Kerrigan has more questions than ever, and this time, he's not the only one. The beginnings of a secret society are formed at Guilder. A society of other like-minded students all unsatisfied with the status quo. All searching for the truth. But things aren't always as they seem. When Simon gets an unexpected visitor, his entire world is turned upside-down. Suddenly, the rules that were made to keep him safe, are the only things standing in his way. Who can he trust? Can he learn to master his tatù? Most importantly, can he do it in time to protect those things that are most precious to him?

Daughter of the Forest is a testimony to an incredible author's talent, a first novel and the beginning of a trilogy like no other: a mixture of history and fantasy, myth and magic, legend and love. Lord Colum of Sevenwaters is blessed with six sons: Liam, a natural leader; Diarmid, with his passion for adventure; twins Cormack and Conor, each with a different calling; rebellious Finbar, grown old be-

fore his time by his gift of the Sight; and the young, compassionate Padriac. But it is Sorcha, the seventh child and only daughter, who alone is destined to defend her family and protect her land from the Britons and the clan known as Northwoods. For her father has been bewitched, and her brothers bound by a spell that only Sorcha can lift. To reclaim the lives of her brothers, Sorcha leaves the only safe place she has ever known, and embarks on a journey filled with pain, loss, and terror. When she is kidnapped by enemy forces and taken to a foreign land, it seems that there will be no way for her to break the spell that condemns all that she loves. But magic knows no boundaries, and Sorcha will have to choose between the life she has always known and a love that comes only once. Juliet Marillier is a rare talent, a writer who can imbue her characters and her story with such warmth, such heart, that no reader can come away from her work untouched. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

THE MILLION COPY INTERNATIONAL BEST-SELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

(From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are

usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, *Volume Three*, was wack. People set higher standards for me, and I love it.

Through journal entries, sixteen-year-old Miranda describes her family's struggle to survive after a meteor hits the moon, causing worldwide tsunamis, earthquakes, and volcanic eruptions.

Something happened in early 2011 that hasn't happened in decades, perhaps centuries-and we didn't even notice it. That is, we didn't see it for what it was. Massive unrest from Tunisia to Egypt to Libya rocked the Arab world and threw the globe into political crisis. Within days, an earthquake-tsunami-nuclear calamity of terrifying proportions shocked Japan and sent the world reeling once again, even as the globe's financial markets shuddered to sustain themselves while states and nations tottered on the brink of bankruptcy-where many still linger. All of this, of course, we did notice. What we may have missed was that ancient predictions for this period of time called for exactly this: simultaneous environmental, political, and financial disasters. Were we seeing the beginning of "the end of history"-and not picking up the signal? In his prescient new book, *The Storm Before The Calm*, seven-time New York Times best-selling author

Neale Donald Walsch offers a startling answer: yes. But Walsch also says there is nothing to fear, advancing an extraordinary explanation for what is happening even now all over the planet. Then-and more important-he provides a stunning prescription for healing our lives and our world through the answering of seven simple questions, inviting people everywhere to join in an earth-saving exchange at [TheGlobalConversation.com](http://TheGlobalConversation.com). Compelling and perfectly timed, *The Storm Before The Calm* answers every question that is worth asking about December, 2012 and beyond.

This e-book is a shorter version of the paperback, with the same beautifully designed content excluding the practical exercise pages - perfect to dip in and out, and choose which bits work best for you. Join the Calm revolution. Modern life is hectic and relentless: trains delayed, endless emails filling the inbox, kids squabbling before bedtime... There has never been a more important time to rediscover your pause button. Calm is the book that will show you how to take back a little bit of peace, space and all-important calm. This book contains the simple tools, tricks and habits that will change the rest your life. It is a practical and pleasurable guide to twenty-first century mindfulness. Regular meditation is medically proven to be good for you - it increases focus and creativity, productivity and job satisfaction, mental and even physical health. But in reality most of us don't have time to sit on a cushion with our eyes closed for half an hour every day. And many people associate meditation with hard work and huge lifestyle shifts: you might be imagining Buddhist monks locked in a mountain retreat and living off gruel... This is where Calm comes in. Calm is about simple, achiev-

able habits that work with the demands of your busy life instead of pretending those demands don't exist. Calm does not require specialist training: it uses abilities that every single one of us is born with, like creativity, spontaneity and simply noticing the world around you. Calm is not a set of rules that you need to worry about following or breaking. It is inspirational, practical and non-prescriptive. Onerous, time-consuming meditation might seem out of reach but everyone can achieve calm - including you. Calm combines extracts from fascinating neurological research with wisdom from history's great thinkers and the real-life experiences of individuals across the globe. It demystifies mindfulness and shows you the many simple ways to be mindful while carrying on with your life. It is also a beautifully crafted object, filled with artwork and artistry, that will change your perspective by showing you the pleasures of the world anew. Take a walk with nowhere to go, savour a chocolate on the tip of your tongue, plant a seed, doodle aimlessly, turn off your mobile phone for five short minutes. Smile, breathe and go slowly. Michael Acton Smith has written a game-changing book, one that will finally balance everyone's need for calm with the realities of modern life. Join the Calm revolution. Calm your mind; change your world. [@calm](http://Calm.com)

This delightful book offers a wide and enticing range of gorgeous designs and scenes for you to color in and make your own. The images and patterns of flora and fauna provide a relaxing way to explore the artist inside you. By following your creative instincts, you will de-stress your mind and body and be rewarded with a portfolio of beautiful finished artworks.

Are we living under a two-tiered system of justice? Why do the wealthy and powerful escape prosecution for their crimes? Why is there so much pain and suffering in the world? Is anything being done about it? Using a combination of wit, wisdom, and gravity, an unknown intelligence insider--identified simply as "Q"--has been communicating with anonymous citizens (anons) through internet message forums since 2017. Th-

ese online exchanges bear no resemblance to your typical social media conversations; there are sobering missions at stake. Q says corruption is worse than we know. It has invaded the corporate world, the media, academia, Hollywood, the church, and other parts of society. It is the cause of war, poverty, and countless problems that rob us of our potential. In this first book of the Q Chronicles series, Dave Hayes takes readers back to the intriguing first weeks of Q's mission. He explains how to understand the language of Q. He shows how Q--by asking questions using the Socratic method--prompts in-depth research of little-noticed reports, government documents, air flights, maps, media stories, and current events. With Q's help, anons were forewarned about how Jeffrey Epstein really made his money. They got inside information about President Trump's meetings with Kim Jong-un, clues to follow regarding the controversial Iran deal, and hints that the NXVIM "self-help" organization was not as advertised. It's no wonder Q has fascinated millions. The research segment of Q's mission is meant to bring about the "Great Awakening"-- a coming era when we will unplug from the media programming machine that has been indoctrinating the world. We will learn the truth, and there will be proof to confirm our nagging suspicions. As you can imagine, there are opposing forces that would love to stop Q from revealing anything more, but Q always seems to be a few steps ahead of them. A storm is approaching that will sweep criminal power brokers into the dustbin of history. The system that enables corruption is being dismantled and replaced. So get your popcorn ready. The show is about to begin, and you have a front-row seat.

Teach your kids how to focus their

thoughts and notice the world around them with this fun mindfulness kids activity book. Mindfulness activities are a great way to teach children about their thoughts and feelings and how to understand them--while having fun at the same time. This book is packed with activities---make a mindfulness jar, learn how to appreciate food with mindful eating, and get out into nature and explore the outside world. An illustrated journal section at the back of the book encourages children to make notes about their own thoughts and feelings. Calm: Mindfulness for Kids has everything you need to know about focusing your child's mind to help them enjoy and appreciate things that they take for granted every day, while boosting their confidence and self-esteem. Children are guided through each activity, to make sure they achieve maximum enjoyment and awareness. All children will learn and react to each activity in a different way and parent's notes give advice on how to encourage children to embrace mindfulness in the modern world. Each specially designed activity is flexible for each child's needs and inspires them to seek calmness and tranquility in all situations. Calm: Mindfulness for Kids shows that supporting a child's positive mental health doesn't need to be expensive, time-consuming, or difficult. Activities help children to de-stress, focus, and get moving while having fun.

The tsunami was only the beginning. As sea level rises and Dee's hometown sinks, and bad news piles scandal on top of disaster, Dee struggles to deliver public support to rebuild.

The Storms Before the Calm Resourceful programmer Dee Baker is getting worried about climate change. Food prices are skyrocketing, the drought out west deepening, and the storms won't quit. When her intrusive Fortune 100 media employer forbids her to attend the escalating riots, Dee defies them to visit a rally, and see for herself what they're trying to hide. Calm Act Genesis is a collection of short prequels to the Calm Act series.

Struggling with overwork and parenting angst, English village doctor Peter Radley endeavors to hide his family's vampire nature until their daughter's oddly satisfying act of violence reveals the truth, an event that is complicated by the arrival of a practicing vampire family member.

Time ran out on climate change. As the U.S. unravels, Dee's job offers salvation: to be one of the select few to secure safety in an ark. Tech whisperer Dee needs to choose whether to protect herself, or risk it all to help others. Trying to have it both ways could be the riskiest

gambit of all. Book 1 of the day-after-tomorrow Calm Act series.

Psychology professor and criminal profiler Taylor Martin prides herself on being able to solve any crime, except the one she wants most desperately to solve--the disappearance of her father twenty years ago. When she finally has a lead on his whereabouts, Taylor returns home to Logan Point, Mississippi, to investigate. But as she is stalking the truth about the past, someone is stalking her. Nick Sinclair pens mystery novels for a living, but the biggest mystery to him is how he can ever get over the death of his wife--a tragedy he believes he could have prevented. With his estranged brother the only family he has left, Nick sets out to find him. But when he crosses paths with Taylor, all he seems to find is trouble. Join the chase as this determined duo search the murky shadows of the past for the keys to unlocking the present and moving into a future filled with new hope and love. Readers will be swept into the sultry South in this debut novel from a promising and already award-winning writer.

In this boxed set, featuring the first three novels of the six-book Medici Warrior series, Paranormal Romance and Urban Fantasy fans will become enchanted with this deliciously dark and scandalous story by International Bestselling Author Emily Bex. It's everything vampire romances should be made of! "Blood Covenant combines the hedonistic jet-setting pleasures of BILLIONAIRE ROMANCE and the dirty little secret thrills of a DEAD SEXY VAMPIRE!" - Katalina Leon, USA Today Bestselling Author BOOK ONE, THE BLOOD COVENANT: When he met her, he knew how it would end. Shade Medici, a warrior king and sole male heir to the dynasty, is expected to mate and produce an heir to secure the continuation of the Medici coven. He's waited over five hundred years for the right mate, and when he meets Kate Reese, his attraction is more than primal - it's merciless. She's also mortal. Kate is fresh off a broken engagement and reluctant to open her heart, but her hesitations are no match for the unrelenting pursuits of the vampire King. Their passion for each other is searing...and not everyone is happy about it. Namely the ruling Council. As they fight against deceit, treachery, and those who aim to see their love fail, Shade also struggles to control his impulses as Kate is immersed into his dark and dangerous world, but it's imperative he prepare her for the changes that will be demanded of her should she choose to bind herself to him through the blood covenant. All that scorches and glitters isn't gold, and she quickly learns that

falling in love with a vampire King comes at a hefty price: It may just cost her everything. BOOK TWO, THE TURNING: This second installment in a vampire saga will draw you in from the first page to the spellbinding end. Immortality beckons. Unable to escape crushing grief, Kate needs an outlet to channel her anguish. Turning to Luca, she pleads to be trained to fight like a warrior, but such a thing is in direct violation of Shade's commands. If she can get Luca to agree, her training must be done in secret. Unfortunately, any training is too little too late. Intent on crushing Shade, the Aries coven is pressing in on him from all sides. Shade's only weakness is Kate, who becomes their perfect bait. While Kate has been made stronger, as long as she's mortal, her life is in peril. But going through the turning to become immortal would be a big gamble to her survival. So many decisions, too many obstacles. BOOK THREE, THE MEDICI QUEEN: There are new beginnings for the ancient Medici vampire coven. The sexy, powerful King Shade Medici intends to increase his coven and territories to include the U.S. The new Medici Queen proves she can hold her own beside her king. She carries rare abilities believed extinct by the vampire community. She also possesses something never seen in the vampire world. What will it mean to their kind? A male heir must be produced to carry on the Medici line. The royal couple has many new plans in business to advance their hold in the States. Not everyone is happy about it. The sprawling Medici estate is a threat to its neighboring coven, controlled by Max. Their lifestyle is Rissa's greatest envy. Secrets will be revealed, old scores will be settled, and many will fall. "Scorching", "riveting", and hailed as "the NEXT BIG THING", The Medici Warrior Series fol-

lows the exploits of a vampire dynasty that spans four generations in a multi-genre story with elements of paranormal, smoldering romance, and historical fiction. Get this three-book boxed set today! Your vampire king is waiting...

**Book 1: LORD OF THE CHANGING WINDS**  
 Little ever happens in the quiet villages of peaceful Feierabiand. For Kes, the course of her life seems set: she'll grow up to be an herb-woman and healer, never quite fitting in but always more or less accepted. And she's content with that path - or she thinks she is. Until the day the griffins come down from the mountains, bringing with them the fiery wind of their desert and a desperate need for a healer. But what the griffins need is a healer who is not quite human...or a healer who can be made into something not quite human.

**Book 2: LAND OF THE BURNING SANDS**  
 Gereint Enseichen of Casmantium knows little and cares less about the recent war in which his king tried to use griffins and fire to wrest territory from the neighboring country of Feierabiand. Now, his kingdom's unexpected defeat offers him a chance to escape from his own servitude. But now that the griffins find themselves in a position of strength, they are not inclined to forgive and the entire kingdom finds itself in a deadly peril. Willing or not, Gereint is caught up in a desperate strug-

gle between the griffins and the last remaining mage...
