The House of Stairs. The doors opened and I leaned out, looking along the length of the train, but Bell didn't emerge. It was about half-past seven by this time and, although a lot of people were about, the crowds had gone. Doing what I was doing, or trying to do, would have been impossible in the rush hours.

House of Stairs. One by one, five sixteen-year-old orphans are brought to a strange building. It is not a prison, not a hospital; it has no walls, no ceiling, no floor. Nothing but endless flights of stairs leading nowhere, except back to a strange red machine. The five must learn to love the machine and let it rule their lives.

The House of Stairs. This technique creates a dynamic parallel between the reader and the characters, who themselves are wresting increasingly deeper meaning out of passions and memories pulled and twisted in search of resolution. The effect is to spellbind the reader to near exhaustion, but the final twist of plot is well worth the effort.
