Methods of Dream Interpretation: What Do Dreams Mean?

In his book "The Interpretation of Dreams," Sigmund Freud suggested that the content of dreams is related to wish fulfillment. Freud believed that the manifest content of a dream, or the actual imagery and events of the dream, served to disguise the latent content or the unconscious wishes of the dreamer.

The Interpretation of Dreams deals mostly with what the title would imply; it is an examination of the dream world according to Freud, one might say. Freud uses the subject of dreams as a base to build on, using dream analysis and interpretation as tools for his (at the time developing) psychoanalytical theory.
