History of the OED. The Oxford English Dictionary has been the last word on words for over a century. But, as with a respected professor or admired parent, we count on its wisdom and authority without thinking much about how it was acquired.

History@Oxford Blog Having a mental illness always made me doubt my ability to do well academically and personally at university. Thankfully, fellow students and my supervisor have made me feel valued and respected and has shown me that I can thrive here.

Oxford was founded in the 9th century when Alfred the Great created a network of fortified towns called burghs across his kingdom. One of these was at Oxford. There may have been a village already existing there or Alfred may have created a new town.
