**Why is my house suddenly full of flies? - Quora**

I recently had a sudden influx of flies inside my home, they were not drawn to or by any food source . At sunset that day they (almost all ) departed for points unknown to reappear the following day in the same numbers. By my observation the flies...

**How can I tell if there are hidden cameras in my house ...**

Cluster flies seek refuge inside houses, especially in attics, during the winter months. The warmth of the home makes the flies active, and they often swarm into living areas. Face flies invade the house in the fall to seek protection from the cold weather. They usually occur only around homes located near livestock.

The one I most frequently recommend is Giles Andreae's There's a house inside my mummy (Scottish Book Trust) This little board book tells it how it is through the eyes of a toddler ( Evening Echo ) When I asked friends with more than one child which book they'd recommend on the subject, the one that came up time and again was this one ( parentdish.co.uk )

**Braingle » 'A Green House' Riddle**

Our landlord seems kind of not trustworthy to me. I'm guessing if there are hidden cameras it's in the smoke detectors and/or bathroom vent/fan. The problem is all the smoke detectors are ridiculously high up. It takes me standing on a stool ontop of an armoire to just barely reach it with my arms. No way I can look inside it. I took the batterys out sevral months ago because it was going dead ...

If the bird dies while inside the house, it's also indicative of a death in the near future. This means that you should never try to kill a bird that's made its way into your home. Ironically, a bird defecating on the head of a person who lives inside the home will have good luck. Of course, it's easy not to think so at the time this happens.
