Think Like A Freak - Shifting Shares

The authors give a few ideas of things to do to start thinking like

a freak, things like saying "I don't know" when we actually don't know (which is the only freaky thinking thing I'm good at), ignore the supposed limits, think like a child, give incentives to others, getting "your garden to weed itself", and finally, the benefits of coin flipping in place of decision making.

The economic approach that Think Like a Freak champions relies not on gut feelings or surface-level knowledge, but rather on empirical data and observations, to explain how the world works and how...
